

## TRAIN TO BECOME A PUBLISHED SCIENTIST!

A program for exceptional high school students interested in conducting original research and preparing scientific manuscripts for publication.

# CALLING STUDENT SCIENTISTS!

At Enrich Your Academics Laboratory Dr. Blum will help you navigate and produce a scholarly manuscript!

He has published in peer-reviewed journals related to medicine, education, measurement, and artificial intelligence.

He knows what it takes and can mentor you!

-  Literature Reviews
-  Experimental Design
-  Data Analysis
-  Measurement Survey Development

 (310) 804 - 8333
